Content

- Make children feel safe
- Let them know what to expect
- Keep your child's developmental stage and temperament in mind
- Try to maintain a normal routine
- Give them facts, and let them lead the discussion
- Give them power — and responsibility
- Empathy, empathy, empathy
- Model the behavior you want to see
- Consider adjusting the screen time limits
- Take care of yourself

Make children feel safe

Stay calm

Watch your words and tone

susceptible to the anxiety

Let them know what to expect

work harder

We know that we're going to have to find creative ways to pass the time at home.

Keep your child's developmental stage and temperament in mind

„hands to home”

to wash your hands

Try to maintain a normal routine

Hatfield suggests making a calendar

new routine

Give them facts, and let them lead the discussion

wash our hands

Children need simple, honest answers.

Give them power — and responsibility

After all, children are proving to be kind of like superheroes

Kids can help their neighbors and loved ones stay safe and healthy

Empathy, empathy, empathy

feelings with empathy

big emotions

Model the behavior you want to see

Children look to us for guidance and support, especially in trying times

Consider adjusting the screen time limits

Get ideas online about other things to do with kids that are not screen-related, and remember that they need to run and play. Without school recess, you may want to implement

Take care of yourself

entertainment at home

entertainment
at home

Thank you for your attention!
